1. Assessment Processes and Procedures

The aim of assessment is to:

- Ensure students are aware of their individual progress and that they develop their knowledge, skills and understanding in relation to the course that they are undertaking.
- Provide evaluative assessment and feedback to students.
- Inform staff of their own effectiveness in teaching and learning.
- Provide a mechanism for monitoring the quality of qualification/course provision.
- To meet the requirements of the awarding organisations

In order to achieve these aims, the following principles for assessment will be applied:

- Evidence requirements for assessment outcomes should be offered in such a way that all students have an equal opportunity to achieve.
- Assessment of students' work is based on either awarding body and/or College/Business Unit assessment criteria.
- All provision must have a planned assessment schedule which includes timing, number and form of assessments and deadline dates.
- All students will have access to an assessment schedule and will be encouraged to manage their own progress in collaboration with their tutors through one to one tutorials and personal learning plans.
- Feedback must be given at a level and depth that ensures assessment is an integral and critical part of the student's learning experience and aids progression.
- Internal verification must be undertaken on all assessments according to awarding body requirements.
- Assessment outcomes will be not be disclosed to any unauthorised individuals.
- Assessment monitoring should form part of the qualification/course quality improvement cycle.
- Where necessary, reasonable adjustment or special considerations will be applied for students who need them (see section 3). Any reasonable adjustments must be agreed and documented in accordance with the relevant awarding body's criteria prior to the assessment taking place. 2.5 Examination fees

Normal registration and examination fees are paid by the candidates when they or an employer has paid tuition fees, including re-take fees.

Students are not required to pay re-take fees for English and maths qualifications. If an exam is missed without notification re-take fees will be applied.

2.6 Examination arrangements for candidates with disabilities

Access arrangements

Candidates who may require access arrangements are identified during the admissions process. Others could be identified after enrolment.

The Additional Learning Support Team will inform Head of Department/Programme Directors of candidates with special educational needs, students who are embarking on a course leading to an examination and the date of that examination. The Additional Learning Support Team can then inform individual staff of any special arrangements that individual candidates may be granted during the course and in the examination.

Making these special arrangements is the responsibility of the College Services Team once the correctly completed electronic paperwork from the Additional Learning Support Team has been received within the appropriate time frame.

Submitting completed access arrangement applications to the awarding bodies is the responsibility of the College Support Services Team. The procedure entitled 'Access arrangements for examinations' gives further details about access arrangements.

2.7 Invigilators and Examination Days

Managing Invigilators

Invigilators will be used for all examinations.

The recruitment of invigilators is the responsibility of the College Services Team Leaders.

Training for invigilators is provided by the College Services Team Leaders annually to advise on the JCQ guidelines.

Securing the necessary Disclosure and Barring Service (DBS) clearance for new Invigilators is the responsibility of People Services. The first DBS certificate is paid for by the EKC Group, however individuals are required to use the update service for subsequent DBS' / .

Owner: Executive Director of Education

Stage of approval:

Date of approval: September 2023

Page 6 of 22

Invigilators are timetabled and briefed by the College Support Services Team Leaders.

Invigilators' rates of pay are harmonised across the EKC Group and all invigilators are workers and not employees.

Examination days

The College Services Team will book all examination rooms.

The College Services Team provides an examination pack comprising of; the question papers, other examination stationery and materials available for the invigilator.

The Estates and IT Teams are responsible for ensuring the set-up of the allocated rooms at their respective Colleges. The College Services Team will give sufficient notice of any special requirements for rooms.

In cases where the examination hosts 70 or more learners, the exam must be started by an EKC Group leader (Middle or Senior). An invigilator will then proceed with the remaining duties throughout the exam.

The invigilator will start all examinations in accordance with [JCQ guidelines](#).

Subject staff may be present prior to the start of the examination to assist with identification of candidates but must not advise on which questions are to be attempted. They must leave when instructed to by the invigilator.

In practical examinations subject staff may be on hand in case of any technical difficulties.

Examination papers must not be read by subject staff or removed from the examination room before the end of a session. Papers will be distributed to Head of Department/Programme Director at the end of the examination session.

2.8 Candidates, clash candidates and special consideration

Candidates

The following points must be adhered to by candidate during exam condition in line with JCQ rules and regulations:

[JCQ rules](#) on candidates' use of mobile phones and all electronic devices apply at all times.

Candidates' personal belongings remain their own responsibility and the centre accepts no liability for their loss or damage.

Disruptive candidates are dealt with in accordance with [JCQ guidelines](#).

For examinations longer than one hour, candidates will not be allowed to leave the examination room until at least one hour after the published starting time and not within the last half hour of the examination. They will not be allowed to return. There is an expectation that students should remain in the examination room for the entire exam time for both Functional Skills and GCSE examinations.

Owner: Executive Director of Education

Stage of approval:

Page 7 of 22

Vocational staff may deal with any candidate not present at the start of an examination through their own local procedures.

Clash candidates

The supervision of escorts, identifying a secure venue and arranging overnight supervision is the responsibility of the College Services Team Leader/Examinations Officer.

Special consideration

Should a candidate be unable to sit an examination due to exceptional circumstances, it is the candidate's responsibility to alert the centre to that effect.

The candidate must support any special consideration claim with appropriate evidence within five days of the examination.

Should the candidate fall ill during the exam the invigilator will complete a report for consideration by the College Services Team Leader/Examinations Officer.

The College Services Team Leader will then forward a completed special consideration form to the relevant awarding body within 10 days of the examination. See section 3 for further guidance on special consideration.

3. Coursework and appeals against internal assessments

Coursework

Candidates who have to prepare coursework should do so by the required date.

The College Services Team will collate the sampled coursework and marks and send this to the appropriate awarding body representative as required.

A record of this will be kept and the samples then despatched by recorded delivery. The sharing of assessment materials with awarding bodies will only be via secure means, which includes digital sending being via the awarding body portal or OneDrive.

The College Services Team Leader/Examinations Officer will ensure that certificate claims are timely and based solely on internally verified assessment records – primarily this will be the Student Report Form (SRF) as a completion list for those candidates registered for BTEC programmes. SRFs should be completed by vocational staff and forwarded to the College Services Team by the last Friday of June at the latest.

Appeals against internal assessments

Candidates may appeal if they feel their coursework has been assessed unfairly, inconsistently or not in accordance with the specification for the qualification.

Owner: Executive Director of Education

Stage of approval:

Date of approval: September 2023

Page 8 of 22

Appeals must be made in writing to the Assistant/Deputy Principal/Assistant Director/Examinations Officer who will decide whether the process used conformed to the necessary requirements.

The College Principal/Managing Director will be notified in writing, copied to the Chief Education Officer and recorded for awarding body inspection. The 'internal appeals' procedure gives further details about the process.

4. Results, enquiries about results (EARs) and access to scripts (ATS)

Results

All individual candidate results received during the year will be available for collection from the College Services Team.

For GCSEs those not collected will be posted to candidates' home addresses by 2.30pm on the same day as results are received from awarding bodies.

EARs

EARs for general qualifications may be requested by subject staff or candidates if there are reasonable grounds for believing there has been an error in marking.

When the College/Business Unit does not uphold an EAR, a candidate may apply to have an enquiry carried out. If a candidate requires this against the advice of subject staff, they will be charged.

ATS (applicable to general qualifications only)

After the release of results of general qualifications, candidates may ask subject staff to request the return of papers within three days' scrutiny of the results. If a result is queried, the Director of Management Information and Funding or the College Support Services Team Leader in conjunction with subject staff will investigate the feasibility of asking for a re-mark at the College's/Business Unit's expense.

5. Centre staff may also request scripts for investigation or for teaching purposes, but any charges incurred will be payable by the department. For the latter, the consent of candidates must be obtained. Certificates

Certificates are posted by recorded delivery to those candidates with a post code that is not local to the College/Business Unit. For those candidates with a local postcode they receive a postcard and are expected to collect the certificate from the College Support Services Team.

All candidates are required to produce some form of identification before a certificate is released.

Certificates may be collected on behalf of a candidate by a third party, provided they have been authorised to do so.

Certificates are recorded as being received and distributed to the candidate so allowing for an audit of the process to ensure the accuracy and completeness of the achievement.

Certificates are not withheld from candidates who owe fees.

The College/Business Unit only retains certificates for a year following the date of certification. After this time, any certificates will be destroyed.

6. Reasonable Adjustment and Special Considerations

EKC Group complies with the requirements of the Equality Act 2010 and in so doing seeks to treat all students as individuals and works to identify and remove barriers to opportunity and ensure fairness; part of this commitment is to ensure that reasonable adjustments and special considerations are applied to the assessment and examinations process.

- Access arrangements for examinations procedure.
- Equality and Diversity policy.
- Additional Learning Support policy.
- Accessibility Statement.

6.1 What is Special Consideration?

This is a post-assessment allowance to reflect temporary illness, injury or indisposition that occurred at the time of assessment. Any special consideration granted cannot remove the difficulty the student faced at the time of assessment and can only be a relatively small adjustment to ensure that the integrity of the assessment is not compromised. Special consideration **cannot** apply to "licence to practice" units within a qualification, or to "licence to practice" qualifications.

The following are examples of circumstances which might be eligible for special consideration (this list is not exhaustive):

- terminal illness of the student;
- terminal illness of a parent;
- recent bereavement of a member of the immediate family;
- serious and disruptive domestic crises leading to acute anxiety about the family;
- incapacitating illness of the student;

- recent traumatic experience such as death of a close friend or distant relative;
- flare-up of severe congenital conditions such as epilepsy, diabetes, asthma etc.
- recent domestic crisis;
- recent physical assault trauma;
- broken limb on the mend;

A student will **not** be eligible for special consideration if:

- no evidence is supplied by the centre to the awarding body that the student has been affected at the time of the assessment by a particular condition;
- any part of the assessment is missed due to personal arrangements including holidays or unauthorised absence;
- preparation for a component is affected by difficulties during the course, e.g. disturbances through building work, lack of proper facilities, changes in or shortages of staff, or industrial disputes;

Applications for special consideration must be presented to the appropriate awarding body for evaluation and decision.

7. Malpractice

Malpractice in the context of examinations and assessment is any action which is taken by a member of staff, invigilator or a student to undermine the validity and integrity of an assessment/examination result. Malpractice, which includes maladministration and non-compliance, is essentially any activity or practice, which deliberately contravenes regulations and compromises the integrity of the internal or external assessment process and/or the validity of certificates. It covers any deliberate actions, neglect, default or other practice that compromises, or could compromise

Examples of maladministration

- tampering with candidate scripts or controlled assessments or coursework after collection and before despatch to the awarding body/examiner/moderator;
- failing to keep student computer files which contain controlled assessments or coursework secure.

Deception - any act of dishonesty in relation to any examination or assessment, but not limited to:

- inventing or changing marks for internally assessed components (e.g. coursework) where there is no actual evidence of the candidates' achievement to justify the marks being given;
- manufacturing evidence of competence against national standards;
- fabricating assessment and/or internal verification records or authentication statements;
- entering fictitious candidates for examinations or assessments, or otherwise subverting the assessment or certification process with the intention of financial gain (fraud).

Improper assistance to candidates - giving assistance beyond that permitted by the specification to a candidate or group of candidates, which results in a potential or actual advantage in an examination or assessment. For example:

- the deliberate destruction of another candidate's work;
- disruptive behaviour in the examination room or during an assessment session (including the use of offensive language);
- exchanging, obtaining, receiving, passing on information (or the attempt to) which could be examination related by means of talking, electronic, written or non-verbal communication;
- making a false declaration of authenticity in relation to the authorship of controlled assessments, coursework or the contents of a portfolio;
- allowing others to assist in the production of controlled assessments, coursework or assisting others in the production of controlled assessments or coursework;
- the misuse, or the attempted misuse, of examination and assessment materials and resources (e.g. exemplar materials);
- being in possession of confidential material in advance of the examination;
- bringing into the examination room notes in the wrong format (where notes are permitted in examinations) or inappropriately annotated texts (in open book examinations);
- the inclusion of inappropriate, offensive or obscene material in scripts, controlled assessments, coursework or portfolios;
- impersonation: pretending to be someone else, arranging for another person to take one's place in an examination or an assessment;

dictionaries (when prohibited), instruments which can capture a digital image, electronic dictionaries, reading pens, translators, wordlists, glossaries, iPods, mobile phones, MP3 players, pagers or other similar electronic devices;

- the unauthorised use of a memory stick where a candidate uses a word processor;
- behaving in a manner so as to undermine the integrity of the examination.

Where malpractice is suspected, a member of staff (or student) must bring it to the attention of the Assistant Principal, as soon as possible by completing a JCQ 'suspected malpractice' form.

Where a student is suspected of cheating in an examination, the Invigilator should observe the candidate's actions during the examination, complete a 'suspected malpractice' form and inform the Assistant Principal as soon as reasonably practicable at the end of the examination.

EKC Group will ensure that all staff and students are aware of the definitions of malpractice and the serious implications and sanctions that can be imposed where malpractice is proven to have taken place.

Staff or students who submit 'suspected malpractice' reports which are subsequently found to have been created for malicious purposes will be subject to the relevant disciplinary procedure.

8. Conflict of Interest

If it is identified by an assessor/ teacher that there is a known conflict of interest between student and staff member (friend, family, colleague, link) then it is compulsory to inform the internal quality assurer (IQA) immediately and follow any procedures/ process dictated by the awarding body. This will ensure that all assessment is fair and unbiased and in-line with awarding body rules and regulations.
