John had served on the property committee for the past year and has now joined the Full Governing Body [FGB].</p> <p>Welcome to Georgia Shelton as the new Governance Officer who will officially start her new role on the 1 December 2023 and welcome to Luca Fasulo the new student Governor.</p> <p>Charles Buchanan's second term as Chair is due to end 31 August 2025. Currently there is no role as vice Chair on the Board. The Chair of the Search and Governance committee will be speaking to members of the board regarding a Vice Chair opportunity. Further updates on this in due course.</p> <p>Education and Training Foundation [ETF] has been commissioned to carry out the external Governance review. The process begins with a questionnaire to be completed by all governors. The Group Director of Governance [GDG] will send the questionnaire to all Board members to complete following the meeting. Further details of the next steps are included in the GDG report.</p> <p>The Chair reminded Board members to complete any outstanding mandatory training. The GDG can update individual members on their respective outstanding training that requires completion.</p> <p>Allan Baillie will step down from being a governor in December 2023, It was noted that the Board's composition is well balanced currently, however, IT was identified as an area under represented on the board. The Search and Governance Committee will review Board membership and succession planning at their meeting in November.</p> <p>NOTED: The Chairs report.</p>	
6	CEO's Report	<p>The CEO updated the Board regarding the position with the DfE relating to the loan and revenue situation, both had been resolved over the summer period after a huge amount of work that went into this process. The CEO thanked all colleagues involved for their efforts in completing the required transaction.</p> <p>Huge levels of growth in student numbers have been achieved this year. Circa 500 new young people applied this year over target. The focus is now on delivering quality education and retaining these students, whilst ensuring that they receive an outstanding experience from the Group.</p>	

		<p>The CEO drew attention to the Group's strategic priorities proposing the removal of the finance strategic priority, given the current favourable financial position. Governors were comfortable with the proposal, noting that actions are taking place within the Group on the remaining priorities.</p> <p>New Group Head of Alternative Curriculum started with the Group on the 1 October 2023. The brief has been set for this post to lead in the development, implementation, and provision of a system of education across our boroughs and districts that responds to learner need, regional considerations and 'travel to learn' patterns. Enabling disengaged young people from across East Kent to reconnect with education and training and equip them for more advanced educational programmes in the future.</p> <p>A Governor asked if we knew the reasons for the student growth this year. The CEO responded that the level 2 provision has grown due to young people not achieving their GCSEs. A-levels have grown significantly due to sixth forms being unyielding in their entry grades.</p> <p>A Governor asked if there is a plan to re-engage NEET students. The new Group Head of Alternative Provision will be seeking a new location and curriculum for these students. A non-college-based provision is being looked at along with a provision that engages these students.</p> <p>The CEO attended a speech by Sir Keir Starmer at Mid Kent College where the Labour Leader outlined the policies for further education in England. It was disappointing that 'skills' were only referenced very minimally during the speech, although it took place within an FE environment locally. Further Education announcement was challenged but no questions were allowed unless pre-agreed.</p> <p>NOTED: The Group CEO report.</p>	
7	Group Director of Governance Report	<p>The GDG noted the written Special Resolution of the Governing Body dated 23 August 2023. ETF are emailing those governors already on the current system with instructions on how to move over to the new platform.</p> <p>New AoC Code of Good Governance The new AoC code has been launched. The previous code remains in place for the current academic year. It is hoped that all FE institutions adopt the code for the 2024-25 academic year.</p> <p>NOTED: The Group Director of Governance Report</p>

The Finance Sub-Group receives a set of accounts and these are scrutinised and challenged by the sub-group. CL [CFO] and GC [Chair of Finance Sub-Group] are working on a version of the accounts for the non-financial Governors. A Governor challenged why the accounts are not being examined fully by the full governing body suggesting that questions should be asked at the FGB meeting and documented. Members of the Finance Sug-Group assured all Governors that this challenge is happening at the sub-group and documented. The detailed summary notes from the sub-group meetings are presented at the Business Committee for review for further scrutiny.</p> <p>NOTED: The Management Accounts – July-23 (provisional year-end position)</p>

Next steps include each leader completing an action plan to address areas of concern and improvements, these are currently being drawn up.</p>	

	c. Use of the College Seal 2022/23	<p>A Governor asked if there are any concerns with a 62% response rate. The CEO responded that the sector average is 40% and the main areas that do not complete are commercial and entry level roles. Daily access to IT is the main reason for not completing the questionnaire. All staff have been issued a laptop device, but some devices have never been used.</p> <p>Staff survey results should be included in the Local College Board cycle of business.</p> <p>NOTED: The Staff Survey results for 2022/23</p> <p><u>Complaints 2022/23</u> The Chief Information and Strategy Officer (CISO) presented the Annual complaints report with a comparison against 2021/22. The approach to complaints is to support staff to handle complaints from an informal approach at an early stage. There has been a reduction in the number of complaints, and this relates to the trend to the year before that.</p> <p>No specific trends have been identified. There is a higher number of complaints at Canterbury College. It is felt that this is due to the larger site and expectations.</p> <p>Opportunities to address issues can be dealt with in student experience reviews, which Governors are invited to attend. There are counselors at each site and course reps are in place.</p> <p>NOTED: The annual report of Complaints for 2022/23</p> <p><u>Use of the Group Seal 2022/23</u></p> <p>NOTED: The use of the College Seal for 2022/23</p>	Local College Chairs
