

# Careers programme

EKC Sheppey College has an embedded careers programme that is available to our students throughout the year to help support their progression through learning and work. This is also extended to past and potential students as well as parents, carers and members of the community that require careers advice and guidance.

## Autumn

- Enrolment support
- Help to find the right course
- Introduction to the UCAS application process
- Progression talks and guest speakers

## Spring

- Student finance talks
- Interview skills event
- Money management event
- Progression workshops
- UK university and apprenticeship search fair

## Summer

- Apprenticeship application guidance
- UCAS clearing
- Results Day support
- Ongoing progression support
- Introduction to Higher Education
- Late applications and enrolment support

## All year

- CV writing, job searching and employability support
- Career information and advice
- Online careers resources
- Open Days
- Prospects career quiz and job matching
- Progression 1:1's and support

Ben Lassnig is our Careers and Progression Officer.
