

# Careers programme

EKC Sheppey College has an embedded careers programme that is available to our students throughout the year to help support their progression through learning and work. This is also extended to past and potential students as well as parents, carers and members of the community that require careers advice and guidance.

## Autumn

- Enrolment support
- Right course choice
- Introduction to the UCAS application Process
- Personal statement writing
- Progression talks and guest speakers
- Progression 1:1's
- Prospects career quiz
- Career ready workshops

## Spring

- Student finance talks
- Interview skills event
- Money management event
- Progression workshops
- Progression 1:1's
- UK university and apprenticeship search fair
- Career ready workshops
- Job search and application support

## Summer

- Apprenticeship application guidance
- UCAS clearing
- Results Day support
- Late applications
- Ongoing progression support
- Introduction to Higher Education
- Enrolment support

## All year

- Career Planning
