

Careers programme

EKC Folkestone College has an embedded careers programme that is available to our students throughout the year to help support their progression through learning and work. This is also extended to past and potential students as well as parents, carers and members of the community that require careers advice and guidance.

Autumn

- Careers introduction
- Right Choice drop-ins and alternative provision guidance.
- UCAS registrations and application support
- Higher Education events, workshops and guest speakers
- Introduction to Xello
- CV writing support

Spring

- Progression 1:1's
- Careers Fair
- Mock interviews
- University open days and visits
- Student finance talks
- National Apprenticeship Week
- National Careers Week
- Careers exploration with Xello
- Employability workshops

Summer

- Progression 1:1's continued
- Apprenticeship applications
- Job search and applying
- CV and interview support
- Introduction to Higher Education
- Money and life skills workshops
- Career exploration with Xello
- Career planning for next academic year.

All year

- 1:1 careers appointments
- CV writing, job searching and employability support
- Careers workshops delivered in classes
- Careers events and activities
- Guest speakers
- Careers and Enrichment Student Newsletter

Molly Smith is our Careers and Progression Officer. To contact Molly, you can send an email to molly.smith@ekcgroup.ac.uk
