

Our aim is to promote sustainability and ecology by recognising the beauty of our environment.

Your design can be inspired by any aspect of your world that you love... a sunrise, the weather, the sea, whales, coral, plants, animals above or below the earth, all ideas are welcome to show how we care about our planet and its life.

This year, the Canterbury School of Visual Arts at Canterbury College are hosting a creative design competition to show the world how much we love her.

Our students have been studying the little things we can do, everyday to reduce the amount of harm we do to our ecology and to improve the world we live in.

We would like to invite everybody to help us raise awareness of this, by designing a card that shows what we appreciate and love about our perfect world. Be creative, and share this project to spread a little love.

The shortlisted card designs will be exhibited on our CSVA instagram page www.instagram.com/csvacantcol/ They will also be part of a collaborative exhibition in June 2021 and a selection will be printed and sold as charity cards through Rock Paper Scissors, Canterbury. www.rockpaperscissors.co.uk.

We will be awarding prizes for the best card entries at our CSVA End of Year Show.
