

How To Stay Safe On Discord!

We All Use Discord, Right?

Well did you know in 2019, It was reported that 45% of Kids 14 - 16 reported that they had been sent mean comments on their platform.

So How Can We stop this?

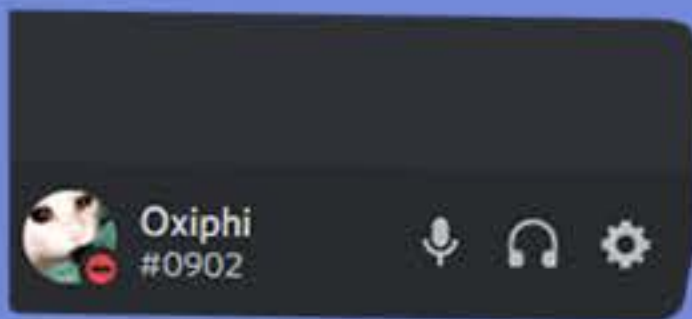

1

We need to actively Monitor our Privacy settings so we can be sure only our friends are trying to message us!

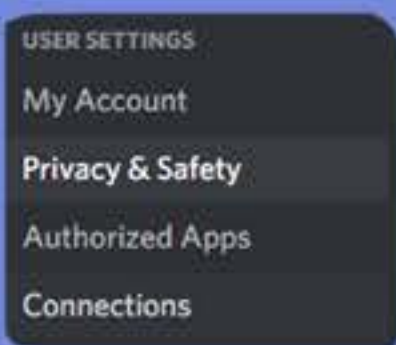

1

How Would I Do So?

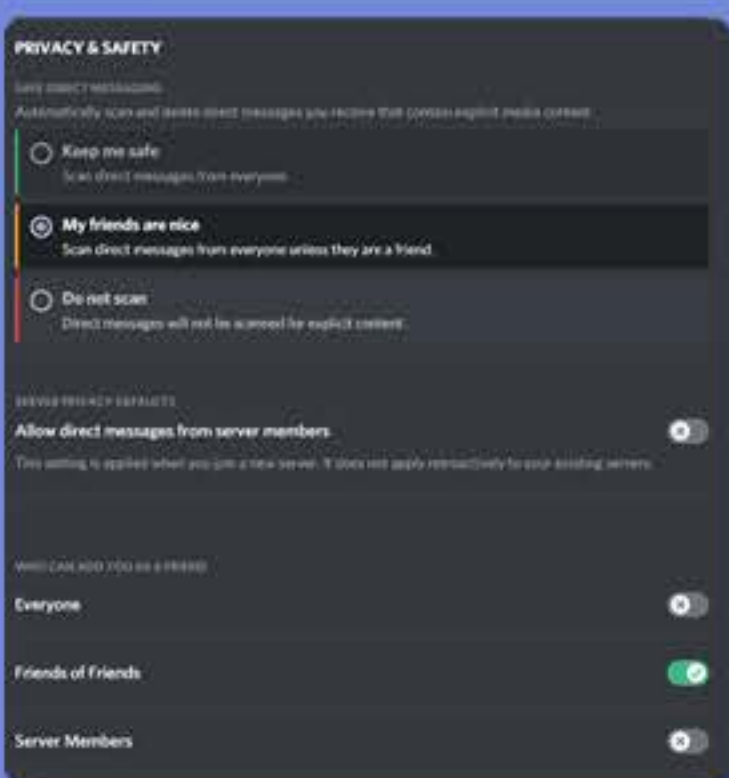

It's Easy! Just follow these steps:

Click Here!

Then Here!

Now Adjust these depending on your privacy needs

And... You're Done!

And Remember, Stay Safe

@everyone
